Dear Santa,
My name is Karly and I am 3 years old. I am so excited that you are coming to my house this year. I have been trying really hard to be a good girl this year. I want a Peppa Pig school house and bus, a super girl cape, and a big Spider-Man. Daniel has been a great big brother and deserves everything on his list. Mommy has warned Daniel that you might have a hard time getting a NES Classic. I love to torment my oldest brother Justin. I love when he comes over to play. He is really wanting a truck, but I would be happy if he just brought a girl over for me to play with. Daddy and Mommy took us to Disney World last Christmas, so they both deserve something really nice this year. Nini and Grumps have done such a good job helping out with all of us grandkids. They babysit us, feed us, and try to make all of the ballgames and activities. Nini wants a cruise and Grumps wants a hunting trip, but I am not really sure if you can bring that. Cousin Chandler needs a degree from Texas A&M. Cousin River would like stuff for his truck, that he thinks he will start driving next year. Cousin Gabby has so much all ready, that I can't really think of anything she needs. Of course, she thinks she needs more Shopkins. After she gets her phone, Uncle Tommy and Aunt Glenda will need more data on their plan. I will be sure to leave you some milk and cookies and food for the reindeer.

GUIDING LIGHT TOO, CHILD CARE LEARNING CENTER

600 N. Winnsboro | Quitman, TX 75783
903-763-8209

Tips for safe travels from ETMC – because we care for East Texas.

- Like millions of Americans, your holiday season likely will involve some driving. In addition to the universal rules – do not speed; do not text; do not drink and drive – we’ve assembled some road trip tips.
- **Have your vehicle checked.** Lights, oil, tires, belts, hoses, brakes, antifreeze and battery all need to be inspected before departure. Take along roadside assistance information and keep your cellphone charged in case of emergency.
 - **Review weather and road conditions.** Call 511, America’s traveler information line, or visit SafeTravelUSA.com to learn information about your route. Consider travel times that avoid the heaviest traffic.
 - **Be prepared for emergencies.** Keep a blanket, boots, gloves, flashlight, food and water supplies in the vehicle. Cat litter or sand can be used to improve traction on icy surfaces.
 - **Buckle up always.** Use the proper car seat for the age and size of children traveling with you and keep pets restrained. In addition, anyone age 13 or younger should ride in the back seat.
 - **Stay alert when driving.** The National Highway Traffic Safety Administration estimates that nearly 100,000 crashes a year are the result of driver fatigue. To combat this, get eight hours of sleep before departing and take breaks – approximately 15 minutes for every two hours on the road. Find a rest area or motel if needed. Avoid distractions and don’t push yourself to meet an unrealistic schedule.

Let’s not meet by accident.
At ETMC we know the dangers of distracted driving because we treat hundreds every year for vehicle-related accidents at our emergency and trauma centers. We hope these tips help you travel safely and have a happy holiday season. For more information, visit etmc.org/emergency-care
